

Avia chair[©]

The Avia Chair provides an ideal new and exciting addition to our present *Industryindesign* collection.

In prototype form as displayed here with American Black walnut frame and soft red upholstered seating the compact lounge style Avia chair is an ideal elegant and stylish addition to any room scheme.

The Avia chair will be available in a choice of materials to suit customer requirements and site. A two seat bench version is also planned.

Avia Chair features

Elegant solid hard wood swept back armrest/leg units with hidden fixtures to seating.

Choice of Hardwood including walnut, Oak, Cherry, Maple. Possible metal version will be available, ask for details.

Seating unit upholstered in soft leather or in textile as chosen by customer.

Proposed complete knock down version available to ease shipping, more details on request.
