

Console Opposed table[©]

The Console opposed table forms part of a our highly adaptable complete range of Opposed frame tables where the use minimum materials provides maximum impact

This elegant and compact design easily fits into any contemporary or traditional scheme, and is highly suitable for the hallway or narrow room space. The slender frame shown here in American Cherry , is also available in a choice of materials and colours and is made complete by the 10mm toughened glass top. Detail and interest is provided by the twin key motif at each corner.

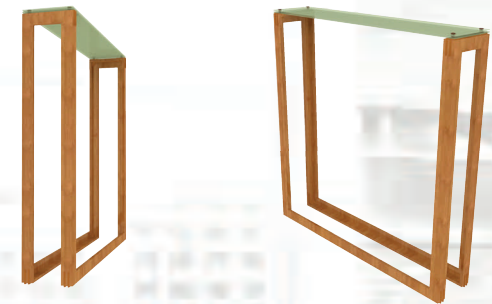

Console Opposed features

Solid hard wood frame with exposed reinforcing fillets in matching timber. Choice of hardwoods available including Walnut, Oak, Ash , Cherry and Maple.

Painted man made board or metal frame versions available, colours via customer choice.

10mm toughened glass top held fast via bronzed fittings helps reinforce the frame and add extra detail.

Frame and fittings version only available for ease of shipping
