Industry in Design[©]

Welcome to my Industry in Design Collection.

Inspired by the world of Industry

Individually tailored for your home or business

Northernlight coffee table

This table provides an ideal companion to the Airscape chair with which it shares design inspiration. This table is highly adaptable to suit customer or site needs. Colours can be altered to suit. The box units can be adapted to suit customer needs. Shown here with walnut frame and deep grey acrylic box sections

Section Wall unit

This wall unit is intended to be a versatile item of storage for any room.

The storage boxes are removable and interchangeable and have a choice of designs. Shown here in light industrial khaki grey with pale violet inserts.

Size here approx 1mtr tall, 250 mm wide

Airscape Chair

The Airscape chair is available with hardwood frame and choice of painted or upholstered seating in colours to suit customer or site requirements.

Illustrated here in deep grey with violet pink side panels.

Laser cut acrylic sheet provides the side detail.

Opposed frame occasional table

This table forms part of our Opposed frame range Available in a choice of hardwoods. Walnut illustrated here. Also available as painted MDF or mild steel as per customer choice. Size 400mm x 400mm as standard or custom size as required. Twin toughened glass top as standard.
